repairs to the head of the Canal from the right flank of the Dhanayar Anicut to prevent the flow of water does not provide for repairs to the Anicut itself. to ensure the supply of water for the use of the Departments

I am to enquire if there is need for repairing the Anicut at the cost of Government even after the conclusion of the present agreement and if so, to intimate the probable cost for the same, to enable Govt to take further action in the matter in consultation with the Jaghirdar of his annexure.

A report in the matter is required

I would add for your information that from the local enquiries made by the Ex Engineer, Lower Channel Division, Mysore, in 1937 that the Madras Govt themselves prepared alternative estimates for Rs 50,000, 40,000 and Rs 30,000 for the restoration of the Dhanayan-Anicut and that they intended to insist on the Jaghirdar for taking immediate action to attend to the works required, failing which, they intended to carry out the works recovering the cost as arrears of land revenue. It is not, however, known what further action the Govt of Madras has taken in this matter or their present attitude to this question. I am to, therefore, enquire if the question of Repairs to the Dhanayar Anicut was discussed with the Jaghirdar during the negotiations conducted prior to the Conclusion of the Agreement of 1946 and if so with what results.

Subject:- Repairs to the Dhanagere Anicut across the Cauvery above Sivasamudram.

S i r,

In inviting a kind reference to the correspondence ending with this office letter No.EDS.274 dated the 26th July 1943 communicating the decision of Government that "no repairs to Dhanagere Anicut need be done for the present", as the Jahagirdar intended that this particular question may be left for negotiation and settlement later, I am to state that the agreement concluded with the Jahagirdar of Sivasamudram in February 1946, in connection with the payment of hot weather compensation, while providing for the repairs at the head of the canal from the right flank of the Dhanagere Anicut does not provide for repairs to the Anicut itself.

I am to enquire if there is need for repairing the Anicut at the cost of Government and if so, to intimate the necessity for repairs and the probable cost for the same, to enable Government to take further action in the matter.

I would add for your information that from the local enquiries made by the Executive Engineer, Lower Channels Division, Mysore, in 1937, it was learnt that the Madras Government themselves had prepared alternative estimates for Rs 50,000/-, Rs 40,000/-, and Rs 30,000/- for the restoration of the Dhanagere Anicut, and that they intended to insist on the Jahagirdar for taking immediate

immediate action to attend to the works required, failing which, they intended to carry out the works recovering the costs as arrears of land revenue. It is not, however, known what further action the Government of Madras has taken in this matter or their present attitude to this question. I am to, therefore, enquire if the question of repairs to the Dhanagere anicut was discussed with the Jahagirdar during the negotiations conducted prior to or since the conclusion of the Agreement of 1946, and if so with what results.

I have the honour to be,

Sir,

Subject:- Fixing the jurisdiction of Gudibanda Taluk.

With reference to your letter No.R.5277/L.R.319-45-36 dated the 12th August 1952 on the above subject asking to examine and report if Kolar District can be made to consist of only 9 taluks by merging the areas of Gudibanda and Sidlaghatta Taluks in the adjoining Taluks, I write to state that a similar reduction of Taluks and readjustment of their boundaries may be desirable in respect of the other districts also and that the question may therefore be taken up on a State-wide basis with reference to uniform standards and with an eye to administrative and public convenience. I also suggest in this connection that the need for the revision of the area and jurisdiction of the Revenue Sub Divisions and the possibility of reduction in the number of -- Districts may also be considered as a corollary to the readjustment of Taluk boundaries.

2. When the question came up for consideration at an informal meeting of the Executive Council on 9-8-1952, it was decided to appoint an Ad-hoc Committee with the Minister for Revenue and Public Works as Chairman and the Heads of the Major Departments as well as the representatives from the Districts as members to go into the matter and formulate suitable proposals for the consideration of Government.

3. I accordingly propose the constitution of a -- Committee for the purpose with the following personnel:-

(1) The Minister for Revenue and Public Works. — Chairman.

(2) Official Members:-

(i) The Revenue Commissioner,
(ii) The Inspector-General of Police,
(iii) The Excise Commissioner,

(3) Non-official Members:-

(i) The Presidents of District Boards,
(ii) The representatives of:-
(a) Malnad,
(b) Coffee Planters,
(iii) One or two Members of Legislative Assembly.

The Assistant Secretary to Government, Revenue Department may be the Secretary of the Committee.

I write to state that the only feasible solution is to merge Gudibanda Taluk in Chicballapur, Bagepalli and Gowribidnur Taluks. The Deputy Commissioner, Kolar District, who was requested to send his proposals on the above lines in this office letter of even number dated 10-5-1955 has not done although reminded on 2-9-1955, presumably for the reason that the public of Gudibanda do not agree to the abolition. The question may perhaps be taken up with the general question of readjustme of Districts and Taluks in the future Mysore State.

GOVT. OF MYSORE.

Sir,

Subject.- Conversion [illegible] into a pacca Taluk.

As a representative of the Gudibanda Sub Taluk in Representative Assembly, I desire to approach you with this memorial. The question of converting Gudibanda into a Taluk is being impressed upon the Government from decades and it seems to have come to a final stage now. The difficulties and hard-ships experienced by the ryots and business people of this Taluk in, not having a Taluk Treasury, are really deserving of redressed. This is an out of the way place from the other parts of the Kolar District and unless ~~xkkex~~ the Taluk question is settled it is impossible to expect any improvement to the interior villages in the Taluk or the Town proper. His Highness the Maharaja was pleased to visit this place in January 46 and we represented ~~one~~ our grievance in this behalf. Revenue Commissioner was kind enough to promise during his visit to this place recently to recommend ~~exx~~ our case strongly to Government for a question placed by me before the Representative Assembly Meeting last time, a reply has been received from Government saying that the matter is under consideration of the ~~recommendation~~ Revenue Commissioner and this repot is awaited etc.

The year 46-47 is fast approaching and I as a representative of the Taluk request you kindly to arrange to move the Government to start the Taluk from July 1946 at least and thereby fulfill the long standing prayer of the people of this Taluk without delay.

Gudibanda.

J.B. Mallaradhya Esq., M.A.,

Maharaja of Mysore, Revenue Department, Bangalore.

Sir,

Subject:- Gudibanda Sub Taluk into
Taluk - conversionof.

I have the honour to invite reference to the correspondence ending with your letter No.R.5007 dated 25th January 1946 asking for a report on the above subject.

2. Gudibanda was a Taluk prior to 1882 consisting of the Hoblis of (1) Gudibanda, (2) Mandikal, (3) Dadinayakanapalya, (4) Namagondlu, (5) Nagaragere and (6) Somenahalli. As a measure of retrenchment and reduction of cost in Revenue Establishments, the Taluk was abolished in about October 1882 and the several Hoblis were added on to the neighbouring Taluks (vide Dewan's Order No.14 dated 28-10-1882). On the agitation of the people, the Sub Taluk of Gudibanda was subsequently constituted with the Hoblis of Gudibanda and Somenahalli only. In Government Order No.R.7048-109 L.R.341-21-1 dated 16/19-6-1922 Government directed the abolition of the Sub Taluk but the order was not given effect to as there was a loud protest against the abolition. The question of conversion of the Sub Taluk into a Taluk having been urged by the peopl proposals were formulated and finally Government ordered in their No.R.1534 L.R.92-37-7 dated 6-9-1939 that the question of conversion may lie over.

3. Government having again in Chief Secretary's letter No.R. 3101 L.R.155-41-2 dated 10-11-1941 called for proposals for the conversion of Gudibanda into a Taluk, Mr. T. Ramaiya, the then Deputy Commissioner of Kolar District, proposed the transfer of the two Hoblis viz., Nagergere and Dadinayakanapalya in their entirity from the Goribidanur to Gudibanda Taluk. He reported in his letter No.A1.C.1383/41-42 dated 14-6-1942 that the only objection to this proposal would be the existence of a range of hills between Nagergere Hobli and Gudibanda and that this objection may be overlooked as the facilities of communication would be augmented by the constitution of a Taluk. These proposals were published in the Mysore Gazette dated 2nd August 1945 by the Sub Division Officer, Chickballapur and objections called for. The several objection petitions addressed to Government, the Revenue Commissioner and the Deputy Commissioner were all referred to the Sub Division Officer, Chickballapura for enquiry and report. The Sub Division Officer, has, after inspection of the areas and local enquiry, reported that

P.T.O.

that the proposal published in the Gazette is the most practicable and may be adopted with a slight modification as noted below:-

"Melya, Velapi and Hunsenahalli of Nagargere Hobli and Kadabor, Siddanahalli and Jakkanehalli of Dadinayakanapalya Hobli which are adjacent to Kasaba Hobli of Goribidanur Taluk and near to Goribidanur Town may be excluded from their present hoblis and added on to Goribidanur Kasaba".

4. It is seen from the report of the Sub Division Officer that the only objection to the transfer of the two Hoblis to Gudibanda is that Gudibanda is not within easy access from those villages owing to the existence of a range of hills between these two Hoblis and Gudibanda. The Deputy Commissioner is of the opinion that the only way to meet the objection is to open out a road through the hills and connect the villages of the two Hoblis as in the interests of Public safety and administrative convenience, it is very necessary to open out the road through the hills. He also suggests that Police Out Posts should be established at convenient centres all along the route to safeguard the traffic on the road.

5. As regards the formation of the road, the Deputy Commissioner states that the length of the road would be about 10 miles and the cost of laying it out is estimated at Rs.25,000/- and that it will have to be met by the District Board. The President, District Board, who was addressed on the subject, has intimated in his letter No.C2-210/45-46 dated 23rd April 1946 that as the Board has undertaken the opening of a good number of roads all over the District and the commitment of the Board has been very heavy, Government may be addressed to take up this road work through Public Works Department out of State Funds. In forwarding this letter the Deputy Commissioner has suggested that the cost of the road may be met from General Revenues in the interests of the public and work taken up immediately. I agree with him.

6. The present Sub Taluk has got 106 villages with a jamabandy of about Rs.49,495/-. 38 villages of Nagergere Hobli and 40 villages of Dadinayakanapalya Hobli with a Jamabandy of about Rs.59,000/- are proposed to be added. The new Taluk will thus have 184 villages as shown in the enclosed sketch attested by the Deputy Amildar with an annual revenue demand of about Rs.1,09,000/-.

7. The additional cost involved will amount to Rs.5,740/- per annum for the Revenue Establishment and Rs.972/- for the additional police force required for the Treasury. Full details for these items are given in paras 5, 6 and 7 of the Deputy Commissioner's report dated 1st February 1946.

8. The question of conversion of the Sub Taluk into a Taluk is being pressed on the attention of Government in both the Representative Assembly and Legislative Council and during the tours of the Dewan and Ministers for a long time and the proposals now formulated are, in my opinion quite suitable. It is ascertained that no splitting of shanbhogis ~~units~~ circles is involved. I therefore request that sanction

of Government may kindly be obtained to these proposals including the formation of the road which, I think, is very necessary, meeting the cost out of State Funds.

9. Copies of the letters as noted in the margin* received from the Deputy Commissioner and the President, District Board, and the connected records accompany.

Adverting to correspondence ending with your docket No.C.2782/41-42 dated the 31st July 1942 calling for additional information about building, furniture, etc., I have the honour to state as follows:

1. A notification proposing the transfer of Nagaragere and Dadinaikanapalya Hoblis from Goribidnur Taluk to the proposed Gudibanda Taluk was published in the Mysore Gazette dated the 2nd August 1945 and objections to the proposal were called for. The objection petitions received in response to the above notification were all referred to the Sub Division Officer, Chikballapur Sub Division for enquiry and report. The Sub Division Officer, has traversed over the whole area comprised in these two Hoblis and he has made both personal and open enquiry of the villagers of the two hoblis. A copy of the report of the Sub Division Officer received with his No.R.1.C.280/42-43 dated the 15th January 1946 is enclosed for kind reference. It may be seen from his report that the only objection to the transfer of the Hoblis to Gudibanda is that Gudibanda is not within easy access from the villages of the two Hoblis of Goribidnur Taluk owing to the existenc of a range of hills between these two Hoblis and Gudibanda. Except this difficulty there is no other objection to transfer the Hoblis to the proposed Gudibanda Taluk. The Sub Division Officer has reported that only a few people object to the transfer while the majority of the villagers blindly and humbly follow these top-men. The only way to meet the objection is to open out a road through the hills and connect the villages of the two Hoblis. Immediately after the road is opened all objections disappear and th jurisdiction of the proposed Taluk will also be easily settled. Both in the interests of public safety and administrative convenienc it is neessary to open out the road through the range of hills and to establish Police Outposts at convenient centres all along the route to safeguard the traffic on the road.

2. The Sub Division Officer has proposed that three villages of Nagaragere Hobli (Malya, Velapi and Hunaranahally) and three villages of Dadinaikanapalya Hobli (Kadabur, Siddanahalli and Jakkanahally) which are nearer to Goribidnur than to Gudibanda may be excluded from the proposed addition to Gudibanda and that these six villages may be added on to the Kasaba Hobli of Goribid-nur Taluk. The proposals made by the Sub Division Officer are very modest and may be accepted.

3. The Sub Division Officer has also in his report dealt with two other alternative proposals to enalarge the jurisdiction of the Gudibanda Taluk and these are (i) to add only the villages of Nagaragere Hobli to Gudibanda and to take Mandikal Hobli from Chikballapur and to add on Manchenahalli Hobli to Chikballapur Taluk

Chikballapur Taluk to compensate the loss of Mandikal Hobli and (ii) to add on14 villages of Mandikal Hobli to Gudibanda Kasaba Hobli and to redistribute the villages of Dadinaikanapalya and Nagaragere Hobli excluding the villages of these two Hoblis which are nearer to Goribidnur and adding on the remaining villages to Gudibanda. These alternative proposals are beset with series of difficulties and they are very complicated and unworkable.

4. Considering all the aspects of the question, I am of opinion that the only feasible way of enlarging the Revenue jurisdiction of the present Gudibanda Sub Taluk with a view to constitute it into a Pucca Taluk is to add on the two Hoblis of Dadinaikanapalya and Nagaragere Hoblis with the exception of six villages (three in each Hobli) mentioned above to Gudibanda Sub Taluk. This proposal has also been discussed and considered as the only feasible means of solving the problem by previous Deputy Commissioners also.

5. As regards the financial implications of the proposal referred to in your Docket referred to above, it may be stated that the cost of the barr guards was not included in the proposition statement sent to you on 11th June 1942. The District Superintendent of Police was consulted regarding the strength of additional police force that was required for Treasury guard. He has replied that an additional staff of one Daffedar and four Police Constables would be necessary and that the extra cost would be Rs.81/- per month as worked out in the margin.

Existing police staff at Gudibanda:
1 Sub Inspetor 2 Daffedars 14 constables.
Extra staff required.
1 Daffedar 4 Police Constables.
Proposed scale for extra staff

	Minimum	Maximum
Daffedar	18	30
Constable	15	18

Averate cost per month Rs.81-0-0
(Inclusive of the cost of barr establishment, the total cost of the Taluk Establishment would work out Rs.6712/- (Rs.5740/-(Rev. & Rs.872/-(Police).

6. The Executive Engineer, Kolar Division, furnished alternative plans for alteration of the existing Sub Taluk buildings to suit the convenience of a Taluk Office and the approved plan was returned to the Executive Engineer on 6th March 1945 for taking further action. He will be requested to expedite further action to effect necessary alterations.

7. Regarding the provision that would be necessary for purchase of furniture, a sum of Rs.800/- may be required for the purpose having regard to the prevailing high cost of articles of furniture.

8. The question of conversion of the Sub Taluk is being dragged on froma long time and it is being pressed in both Representative Assembly and Legislative Council very frequently. I request that a recommendation may kindly be made to Government to sanction conversion of the Sub Taluk into a pucca taluk with effect from 1st July

1st July 1946.

The entire records are enclosed.

Copy of letter No.A1.C.1383/41-42 dated 27th March 1946 from the Deputy Commissioner, Kolar District, Kolar, to the Revenue Commissioner in Mysore, Bangalore, re: conversion of Gudibanda Sub Taluk into a pucca Taluk.

====

In continuation of my letter No.A1.C.1383/41-42 dated ~~forwarding~~ forwarding proposals for the formation of Gudibanda into a Taluk, I have the honour to forward herewith a copy of the DeputyAmildar's report No.H.C.158/43-44 dated the 4th March 1946 making proposal for opening out a road to connert Dadinaikanapalya Hobli villages with Gudibanda. The Sub Division Officer, Chikballapur reports that the plan of the road was prepared on oil cloth under instructions ~~fro~~ from you sent to you direct on 8th March 1946. The length of the new road that has to be opened from Gudibanda to Dadinaikanapalya would be about 9 or 10 miles and the probable cost of laying out this new road is estimated at Rs.25,000/_. This will have to be a District Board Road and theentire cost of Road has to be met by the District Board. The President, District Board, Kolar, has been addressed separately in the matter. The road has to be urgently formed in order to afford better facilities to the people of Darinaikanapalya Hobli villages as the villagers are opposing the amalgamation of their villages with Gudibanda Taluk mainly for the reason that there are no facilities to reach Gudibanda and as their objections will be met by opening this new road. It will take sometime for the Board to get necessary resolution and sanction to take up the work from its funds and complete it. As the matter is urgent, I suggest that the work of laying out the new road may if possible be taken up by Government in the first instance the cost involved being debited to the funds of the District Board later.

The proposal of the Deputy Amildar to open two ookads in the interests of the travalling public is suitable and it may kindly be sanctioned.

========

Copy of letter No.A1.C.1383/41-42 dated 2nd May 1946 from the Deputy Commissioner, Kolar District, Kolar, to the Revenue Commissioner in Mysore, Bangalore, re: conversion of Gudibanda Sub Taluk into a pucca Taluk from 1-7-46.

In continuation of my letter No.A1.C.1383/41-42 dated the 28th March 1946 forwarding the proposal for opening out a new road to connect the villages of D. Palya and Nagargere Hoblis with the Taluk Head Quarter at Gudibanda, I have the honour to forward herewith copy of letter No.C2-210/45-6 dated 23-4-46 received from the President, District Board, Kolar, in the matter. It may kindly be seen from the communication that the District Board are unable to meet the cost of the new road and that the President requests that the entire cost

of the layout may be met by Government. As already suggested in my letter referred to above the cost of the new road may be met from General Revenues in the interests of the Public and the work of the new road may be ordered to be taken up immediately.

Copy of letter No.C2-210/45-46 dated 23rd April 1946 from the President, District Board, Kolar, to the Deputy Commissioner, Kolar District, Kolar, re: conversion of Gudibanda Sub Taluk into a pucca Taluk.

With reference to your letter No.A1.C.1383/41-42 dated 27th March 1946 regarding the above, requesting the Board to take the construction of the Board from Gudibanda to D. Palya at an estimated cost of Rs.25,000/- I have the honour to state that the Board has already undertaken the opening of a good number of roads all over the District and the commitment of the Board in this behalf has been too heavy. Besides the Board has to maintain the roads aggregating to a length of 1018 miles. In view of these facts, I request that Government may kindly be addressed to take up this work through the Public Works Department out of State Funds.

Conversion of Gudibanda Sub Taluk into a Pucca Taluk.

Sir,

In inviting kind reference to this office even No. dated 1/2/46 forwarding proposals for conversion of Gudibanda Sub Taluk into a Pucca Taluk, I have the honour to forward herewith my further proposals in the matter as directed by the Dewan during his visit to Gudibanda on the 18t November 1946.

Representations were made to the Dewan during his visit to Gudibanda about the conversion of the Sub Taluk into a Taluk as early as possible and the Dewan was pleased to state that early action would be taken in the matter and directed me to submit revised proposals, if necessary, after re-examining the question. He was also pleased to suggest that the conversion of the Sub Taluk need not necessarily wait till adequate communication facilities connecting the new group of villages to Gudibanda are given, but that the Sub Taluk may be declared as a Taluk by adding such of the villages which are near enough to Gudibanda and where adequate communication facilities exist. In the light of these instructions, I have further examined the question along with the local officers and leading citizens of Gudibanda and feel that the proposals already made are quite suitable and the objections raised regarding the communications are not very real.

The two Hoblis that are now proposed to be added on to the Taluk are the Nagaragere and D.Palya Hoblis of Goribidnur Taluk.

As regards Nagaragere Hobli, its situation permits of its being conveniently added on to Gudibanda sub Taluk without any difficult It is seen that there is already a District Fund Road running from Goribidnur to Gudibanda via K. Rajapur and Sabbanahalli in Nagaragere Hobli and another District Fund Road runs from Subbanahalli to Nagarager which is the Hobli headquarter. There is also a bus service running from Goribidnur to Gudibanda on the District Fund Road. As such it can be safely said that the Villages of Nagaragere Hobli have adequat facilities to come to Gudibanda. It has also to be noted that the/

there is no natural barrier between the villages of Ramagere Hobli and Gudibanda town as in the case of D. Palya Hobli. For the villages of this Hobli, (except 2 which are all very near to Goribidnur) for which the existing communications are quite good and safe and are being used by the villagers of this Hobli. So I suggest that the Ramagere Hobli may be conveniently added on to Gudibanda Taluk without any further delay.

As regards the villages of D.Palya Hobli, the grievance that access to Gudibanda cannot be had easily on account of the existence of a range of hills between these villages and Gudibanda is to some extent real. The present proposal is to open a road from D.Palya to Gudibanda, a distance of 7½ miles at a probable cost of Rs.45,000/-. It is stated that it will take about two years to complete this work. But I feel that it is not necessary to wait till the new road is opened to add on the villages of this hobli to the proposed Gudibanda Taluk. These villages will also make use of the existing District Board road now running between Goribidnur and Gudibanda to come to Gudibanda though it is a little circutous. This objection by itself cannot, I feel, be sufficient reason to put off the question of the conversion of the Sub Taluk indefinitely. I further understand that the District Board, Kolar propose to lay out an inter-village road from Gudibanda to Avalkonda and to Venkatapura in D.Palya Hobli. If this road is taken up, it will connect most of the interior villages.

It may also be stated here that when Gudibanda Sub Taluk was a pucca taluk, these two hoblis were in the jurisdiction of Gudibanda Taluk. As the present difficulty existed even then, I feel, that the objection of the people regarding want of adequate communications cannot now be seriously considered. Though action may be taken immediately to open up the new road proposed, I am of opinion that there is no need to wait till the road work is completed to convert the Sub Taluk into a Taluk.

I would therefore suggest that immediate orders may be obtained for the conversion of the Sub Taluk into a taluk by

by approving the recommendation already made in the matter. However, if the objections raised by the villagers of D.Palya Hobli are considered as real, I would suggest that all the villages of Nagaragere Hobli except three may be added on to the new Taluk, immediately and the question of adding the villages of D.Palya hobli may be deferred by another six months and orders passed to take up the proposed road work immediately.

I would suggest that orders may be obtained early so that the Sub Taluk may be converted into a Taluk from the coming Khist season.

I have the honour to be,
Your most obedient servant,

Deputy Commissioner,
Kolar District.

SUBJECT:- CONVERSION OF GUDI BANDA SUB-TALUK INTO A PUCCA TALUK.

I have the honour to invite reference to this office letter No. C10-686/45-46 dated 15th June 1946 forwarding proposals for the conversion of the Sub Taluk of Gudibanda, Kolar District into a taluk.

2. The people of Nagaragere and D. Palya hoblis in Goribidnur Taluk which are proposed to be included in Gudibanda, have objected to the proposal on the ground that they have no easy means of access to Gudibanda.

3. This aspect of the question was further explained by the Deputy Commissioner, Kolar in the light of the Dewan's instructions during his visit to Gudibanda in November 1946.

4. The Deputy Commissioner has reported that there is already a District Fund Road connecting Goribidnur with Gudibanda, passing through K. Rajapur and Sabbanahalli in Nagaragere hobli. There is another District Fund Road from Sabbanahalli to Nagaragere (which is 1½ furlongs) of that hobli. Besides, there is a bus service between Gudibanda and Goribidnur on the District Fund Road. All the villages of this hobli, except 3 villages, have thus facilities of communication with Gudibanda. In view of the above, the objection of

Prior to 1882, Gudibanda was a Revenue Taluk comprising the six hoblies of Gudibanda Hasaba, Somenahalli, Nagaragere, Narinayakanapalya, [illegible] and Ramagondlu. During the year 1882, the Taluk was abolished and the several hobblies were added on to the neighbouring Talukes. (v) supply of furniture costing about Rs 800/- for use in the new Taluk Office.

4. The Chief Conservator of Forests in Mysore, who was consulted regarding the formation of the proposed road a portion of which passes through a State Forest, has opined that as the road will serve public interest and provided administrative convenience there is no objection to its formation and that the right of way now admitted over 6 feet of the existing foot-path may be extended over the 18 feet of the road when it is formed, the forest growth removed during the formation of the road being made over to the Forest Department.

5. Government consider that the conversion of this Sub Taluk into a Taluk with effect from the 1st July 1947.

6. .....

6. The Chief Engineer for Roads and Buildings in Mysore, is authorised to take up the new road for execution immediately and push it through with all expedition, splitting up the work, if necessary, and entrusting the same to different contractors. The improvement of the existing road should also be attended to without delay. The District Board, Kolar, will take up the inter-village road from Goribidnur to Avalkonda and Venkatapura in Darinayakanapalya Hobli and bring it to completion as early as possible. Necessary action may be taken to obtain sanction of Government in the concerned Departments, to the estimates for these roads.

7. The Revenue Commissioner is requested to submit proposals in the proper form for (i) the entertainment of the additional Revenue Establishment; and (ii) in consultation with the Inspector General of Police, for the entertainment of the additional Police Force to guard the new Treasury at Gudibanda, at a very early date.

8. A Notification indicating the villages comprised in the new Taluk will issue separately.

Government Order No. R. 7048-109—L. R. 341-21-1, dated the 19th June 1922, directing, *inter alia*, the abolition of Gudibanda Sub-Taluk, with effect from the 1st July 1922 as a measure of retrenchment.

2. Government Order No. R. 10-70—L. R. 60-22-5, dated the 26th September 1922, directing that as it was found necessary to retain the Sub-Taluk of Gudibanda for administrative purposes, it shall continue as a Revenue Sub-Taluk.

3. Correspondence ending with letter No. C. 10-C. 899—46-47, dated the 13th September 1946, from the Revenue Commissioner in Mysore, recommending sanction to the conversion of Gudibanda Sub-Taluk into a pucca Revenue Taluk and the construction of a road between Darinayakanapalya and Gudibanda over the hills and through the intervening forest area:

4. Un-official Note No. 28 of 1946-47, dated the 12th December 1946, of the Chief Conservator of Forests in Mysore, furnishing his opinion in the matter of the formation of a new road from Darinayakanapalya to Gudibanda, running through the forest area.

5. Further correspondence ending with letter No. C. 10-C. 848—46-47, dated the 2nd January 1947, from the Revenue Commissioner in Mysore, on the subject.

ORDER No. R. 8326-410—L. R. 319-45-10, DATED BANGALORE, THE 28TH FEBRUARY 1947.

Prior to 1882, Gudibanda was a Revenue Taluk comprising of the six hoblis of Gudibanda Kasaba, Somenahalli, Nagaragere, Darinayakanapalya, Mandikal and Namagondlu. During the year 1882 the taluk was abolished and the several hoblis were added on to the neighbouring taluks. On account of the repeated representations of the people of the area, the present Sub-Taluk comprising of two hoblis, *viz.*, Gudibanda and Somenahalli, was constituted. Although this Sub-Taluk was ordered to be abolished in the year 1922, as a measure of retrenchment, it was found necessary to continue it on grounds of administrative convenience.

2. For some time past the people of the Sub-Taluk have been urging incessantly for its re-conversion into a pucca Taluk and the matter has also come up for discussion in both the Houses of Legislature. During the visit of His Highness the Maharaja to Gudibanda in the month of January 1946, representations were made for early conversion of the Sub-Taluk into a Taluk. In pursuance of the Policy of Government to convert all the Sub-Taluks in the State into Taluks, the Revenue Commissioner was requested to examine the question and submit proposals for the conversion of this Sub-Taluk. He has accordingly furnished the proposals of the Deputy Commissioner, Kolar District, in the matter, and has urged the immediate constitution of Gudibanda into a Taluk on grounds of administrative convenience and in the interest of the future development of the tract which forms the boundary of the State.

3. The salient features of these proposals are indicated below:—

(*i*) Constitution of a new Taluk with Headquarters at Gudibanda comprising of the existing 106 villages in the Kasaba and Somenahalli Hoblis; of 38 villages of Nagaragere Hobli and of 40 villages of Darinayakanapalya Hobli in Goribidnur Taluk, with a total revenue demand of Rs. 1,09,000 per annum;

(*ii*) continuance of the villages of Melya, Velapi and Hunasanahalli of Nagaragere Hobli of Kadabur, Siddanahalli and Jakkanahalli of Darinayakanapalya Hobli, in the Goribidnur Taluk on account of their proximity to Goribidnur;

(*iii*) construction of a new road 7½ miles long, running through the hills and the State Forest of Narasimha Devara Betta, Block No. 3, at an estimated cost of Rs. 44,300 to provide easy and safer access from the villages of Darinayakanapalya Hobli to the headquarters of the new Taluk; and the improvement at a cost of Rs. 14,000 of the existing District Board road for a length of three miles, the cost being met in the first instance by Government, subject to recovery from the District Board concerned later on;

(*iv*) entertainment of additional Revenue Establishment at a recurring cost of Rs. 5,740 and an additional Police Force for the Treasury at a cost of Rs. 972 per annum; and

(*v*) supply of furniture costing about Rs. 800 for use in the new Taluk Office.

4. The Chief Conservator of Forests in Mysore, who was consulted regarding the formation of the proposed road a portion of which passes through a State Forest, has opined that as the road will serve public interest and provide administrative convenience there is no objection to its formation and that the right of way now admitted over six feet of the existing foot-path may be extended over the 18 feet of the road when it is formed, the forest growth removed during the formation of the road being made over to the Forest Department.

5. Government consider that the conversion of this Sub-Taluk has been pending for a long time and that it is therefore essential to give effect to it without further delay in the interest of administrative and public convenience. They are accordingly pleased to sanction the conversion of the Sub-Taluk into a Revenue Taluk with the 184 villages as proposed by the Revenue Commissioner with effect from the 1st July 1947.

6. The Chief Engineer for Roads and Buildings in Mysore is authorised to take up the new road for execution immediately and push it through with all expedition, splitting up the work, if necessary, and entrusting the same to different contractors. The improvement of the existing road should also be attended to without delay. The District Board, Kolar, will take up the inter-village road from Goribidnur to Avalkonda and Venkatapura in Darinayakanapalya Hobli and bring it to completion as early as possible. Necessary action may be taken to obtain sanction of Government in the concerned departments, to the estimates for these roads.

7. The Revenue Commissioner is requested to submit proposals in the proper form for (i) the entertainment of the additional Revenue Establishment; and (ii) in consultation with the Inspector-General of Police, for the entertainment of the additional Police Force to guard the new Treasury at Gudibanda, at a very early date.

8. A notification indicating the villages comprised in the new Taluk will issue separately.

MEMORANDUM OF APPEAL

Submitted by the Public of Darinayakanapalya and Nagaragere Hoblies in Goribidnur Taluk

To

The Dewan Sahib
of Mysore
Bangalore

RESPECTED SIR,

THE Government has decided to convert Gudibanda Sub-taluk into a pakka one as per its Order No. 8326410—L. R. 319-45-10, dated 27th February 1947. In pursuance of the said decision it has ordered to remove Darinayakanapalya and Nagaragere hoblies from Goribidnur Taluk and affiliate them to Gudibanda from the 1st July 1947. This decision has caused great hardship and difficulty to 70,000 people of their seventy-eight villages affecting their economic, social and industrial progress. We the public of these hoblies therefore hereby beg to submit this Memorandum for securing its immediate reconsideration on the grounds mentioned below:—

1. From as far back as 1882 we have been affiliated to Goribidnur Taluk and on account of this long and uninterrupted association we have developed, as between us, a strong bond of administrative relationship which is now difficult to break and disrupt. Seventy-eight villages of these hoblies look up to Goribidnur as a centre for all Banking and business transactions. It is within their proxmity affording many facilities, such as, High School education, trade, electricity, medical aid, maternity, road and railway transport, postal communication, free feeding and lodging, industrial and agricultural marketing, etc. We are now made to turn towards Gudibanda devoid of any of these advantages and criple our progress.

The Gudibanda Sub-taluq should be converted into a taluq. Effect may be given to this decision on the existing basis of revenue hoblies. The question of what additions may be made to this area will be examined in the light of public opinion. Meanwhile effect need not be given to the notification re: Darinayakanapalya and Nagaragere Hoblies being included in Gudibanda taluq.

physical conditions of our people and topography of our country. The mountain range runs about 30 miles from Nandi Hills towards north dividing the existing Goribidnur Taluk on the west from Gudibanda on the east. There are no means of communications between the villages situated on either side of this mountain infested with wild beasts rendering the lives and as well as the journey of our villagers most unsafe and insecure. A visit to the area will at once convince any one, of the futility of the Government proposal to construct across the mountain a road from Darinayakanapalya to Gudibanda at such a low cost as at Rs. 44,000. Even three to four lakhs of rupees will not suffice to construct any road that would facilitate easy transport and safe travel. Moreover, a road of only 7½ miles will not secure sufficient means of communication to the 78 villages of these hoblies.

6. The Government while deciding reconversion of Gudibanda Sub-taluk into that of pakka one have failed to consider the travelling difficulties of the people of our hoblies who for purposes of registration, treasury remittances, ration revenue and other matters have to cover long distances from many of the villages contiguously situated on the extremities of their border. The decision of the Government has placed Budigenahalli on a peculiar and novel position. Its Village Officers have to visit Gudibanda as well as Goribidnur on account of their firka being divided and ceded to both the taluks.

7. Further the decision of the Government completely upsets the economic balance of the people. We have to break our financial ties with the bankers and merchants of Goribidnur in order to find none at Gudibanda to facilitate credit and business transactions.

8. Our hoblies have been so much disintegrated at present, as we see no parallel anywhere in our State. We have to go to Dodballapur for civil suits, to Chickballapur for criminal cases, to Goribidnur for business and other purposes and now to Gudibanda for purposes of revenue and registration. The policy of the Government is thus devitalising in its effect, weakening our morale and unity.

9. The Government has failed to consider our public representations protesting against this unfair scheme of bifurcation. We have publicly expressed our total disapproval of this scheme through various resolutions unanimously passed in a number of meetings held in many of the villages. We sincerely feel that our responsible public opinion in this regard has had no proper consideration and hearing. We therefore humbly submit that it is not even now too late for the Government to reconsider their decision and change their policy.

10. But we beg to make it clear that we are not opposed to the re-conversion of Gudibanda Sub-taluk into a pakka one. We are only opposed to the affiliation of these two hoblies to the same which is distant from all of us. We humbly request the Government to retain them in Goribidnur Taluk and as an alternative we hereby suggest that Mandikal hobli which is only 3 furlongs from Gudibanda border be affiliated to the same together with some of the nearer villages in Bagepalli and Sidlaghatta Taluks and compensate Chikballapur by adding, Manchenahalli hobli in Goribidnur Taluk.

In view of the above reasons and suggestions we request the Government to immediately appoint a Commission consisting of responsible officers and Legislative members of the taluk for the purpose of making a detail enquiry into the matter and to revise its present decision in the light of their report.

We, further pray that the Government be pleased to order the stay of the execution of its decision from the 1st of July 1947 pending its reconsideration on the grounds set forth in this Memorandum.

I have the honour to be,
Sir,
Your most obedient servant,

S. Narayanan

Revenue Commissioner.

Letter No. Al. C. 1279/46-47 dated 23rd July 1948, from the Deputy Commissioner, Kolar.

Government order No.R.8326-410/L.R.319-45-10 dated 28th Feb. 1947, constituting Gudibanda taluk with effect from 1st July 1947.

With reference to your D.O.letter No.C10.3399/46-47 dated the 30th May 1947, forwarding the memorandum of appeal presented by the resident of Darinaikanapalya and Nagaragere hoblies of Goribidnur taluk protesting against the inclusion of these two hoblis in the newly constituted Gudibanda taluk with effect from 1st Jul 1947(1947-48) and calling for a report on the question of additions to be made to the area of Gudibanda taluk, I have the honour to state as follows:-

1. The residents of villages in Darinaikanapalya and Nagaragere hoblies have presented petition to Government and to other officers praying that these two hoblies may be excluded from the Jurisdiction. There are also counter petitions from the same villages urging that the Government order directing the inclusion of these two hoblies in Gudibanda taluk should be given effect to. The Revenue Minister durig his visit to the District in July 1947, has personally heard the grievances of the residents of these two hoblies. I have also visited the villages of these two hoblies and have conducted a detailed enquiry in to the grievances of the petitioners. The only objection to the transfer of the hoblies to Gudibanda taluk is that the Taluk Head Quarters is not within easy access to the villages of these two hoblies due to the existence of a range of hills between Gudibanda and the two hoblies. The protest against the transfer is mostly from the village officers and their followers. Government were also pleased to approve of the proposal and ordered the constitution of the taluk with effect from 1st July 1947. The raiyats of the two hoblies however continued to press their objection before Government who in their letter No.R.11835/L.R.319-45-18 dated the 29th May 1947, issued a stay order and directed an enquiry once against into the grievances.

On a careful investigation of all aspects of the question, I am strongly of the opinion that the entire Nagaragere hobli with the exception of three villages of Mandikal hobli of Chickballapur taluk may conveniently be added on to Gudibanda taluk. The villages except the three mentioned above of Nagaragere hobli and the 14 villages of Mandikal hobli are very much nearer to Gudibanda than to Goribidnur or Chickballapur and they can certainly be brought under the jurisdiction of Gudibanda taluk. Further Gudibanda taluk as at present constituted with only two hoblis of Kasaba (22003/-) and Somenahally (Rs 27093) has a land revenue Jamabandy of Rs 49496/- which is very small. It is very necessary to afford sufficient work to the administrative staff and to justify the existence of the taluk. At the same time it is necessary to give relief to the Amildar. Goribidnur the jurisdiction of the taluk is large and the work of the taluk is very heavy. The Jamabandy of Goribidnur taluk now is Rs 216512/-. Out of this the Jamabandy of Nagaragere hobli is / Rs 32611/-so that after the addition of Nagaragere hobli to Gudibanda taluk, the Jamabandy of Goribidnur taluk will be reduced from Rs 216512/ to 183900/ . Similarly the Jamabandy of Chickballapur taluk is Rs 130000/-and after deducting from this the jamabandy of 2821/-of the 14 villages of Mandikal hobli which would go to Gudibanda Kasaba Hobli, the net jamabandy of Chickballapur taluk would be Rs 127199/-. Again after these additions are made to the existing jamabandy of Gudibanda taluk, its total jamabandy would be as noted in the margin.

1.	Jamabandy of the two hoblies of Kasaba and Somenahalli	Rs 22003/-) 27493/-)	49496
2.	Jamabandy of Nagaragere hobli villages, with the exemption of 3 villages -		32611
3.	Jamabandy of 14 villages of ~~Hendick~~ Haradkal hobli of Chickballapur taluk to be added on to Gudibanda Kasaba.		2821
		Total.	84928/

The proposal now made would equalise work in all the three taluks of Goribidnur, Chickballapur and Gudibanda and facilitate the transaction of the revenue business in all these taluks. I therefore request you that in modification of the Government order of 28th February 1941, Government may kindly be moved to sanction the re-constitution of Gudibanda taluk with its revenue jurisdiction fixed as follows and the whole of D.Palya hobli may be excluded from Gudibanda taluk.

1)	Gudibanda Kasaba Hobli	62 villages	24824/-
2)	Somenahalli hobli.	56 villages.	27493/-
3)	Nagaragere hobli.	36 do.	32611/-
	Total.	154	84928.

The question of reallocation of Jurisdiction among these three taluks was pending from a long time, and it was set at rest after sanctioning the constitution of the taluk. On the agitation of the people however the question was recouped and referred back for further investogation. Every Inch of ground in the hoblis of all the taluks has been traversed and a thorough enquiry has been made. For some reasons or another petitions would continue to be presented maing false allegations and urging untenable objects and these representations will have to be assessed at their true value. The proposal now made is quite modest, fair, reasonable and expedient. I request that orders of Government sanctioning the proposal may be obtained early.

The entire records, with a map showing the alterations now made in the jurisdiction of Gudibanda taluk are enclosed.

Copy.

Sir,

Subject:-Fixing the jurisdiction of Gudibanda Taluk, Kolar District.

With reference to the correspondence ending with your letter No.R. 3021/L.R. 319-45 dated 29th September 1948 stating that the proposals of the Deputy Commissioner, Kolar for the transfer of certain villages of Nagaragere and Mandikal Hoblis to the Gudibanda Taluk, may be notified calling for objections from the public if any within one month and the results intimated, I have the honour to invite reference to this office letter of even number dated 27th October 1949 reporting the steps adopted for giving effect to the instructions of Government. In his letter No.A1.C.1279/46-47 dated 16th November 1949 the Deputy Commissioner has reported the result of the enquiry held by the Sub Division Officer, Chickballapur. He proposes that only 17 villages (14 villages of Mandikal Hobli in Chickballapur taluk and 3 villages of Goribidnur taluk) may be added on to the newly constituted Gudibanda Taluk.

Sri HPD Br. 30-11-49.

According to the revised proposals the Gudibanda Taluk will consist of 123 villages as noted in the margin.

Number of	No. of villages.	Jamabandy.
Kasaba Hobli.	65	26,674
Somenahalli Hobli.	58	27,493
Total	123	54,167

The Deputy Commissioner states that it is not possible to add any more villages to Gudibanda Taluk without inviting serious objection from the public.

I agree with the Deputy Commissioner and request that sanction of Government may be obtained to his proposals.

A copy of the Deputy Commissioner's letter dated 16th November 1949 and the connected papers accompany.

Yours faithfully,

Iyamanthan C

Subject :—

Fixing the jurisdiction of Gudibanda Taluk.

Sir,

Adverting to correspondence ending with your memo No.C.10. 3399/46-47 dated the 6th October 1948, stating that the villages proposed to be added on to Gudibanda Taluk may be notified inviting objections, I have the honour to state that the villages proposed to be added were published in the Gazette in November 1948 by the Sub Division Officer, Chickballapur Sub Division and the notifications were published widely in the villages concerned and the served notifications are enclosed to the records. Objections were invited within one month from the date of publication of the notification in the Gazette. The Sub Division Officer has inspected each and every village notified and he has heard the objections received and submitted his proposal for the transfer of villages from Nagaragere and Mandikal Hoblies. The villages of Nagaragere Hobli in general are not agreeable to join Gudibanda Taluk. But there has been no objection from the people of the marginally noted villages of Nagaragere Hobli to join Gudibanda Taluk. These 2 villages are very near to Gudibanda and it is easier to the villagers to go to Gudibanda for their business than to Goribidnur. The Sub Division Officer has suggested the 7 villages of Nagaragere Hobli as stated in his report of 27th March 1949 may be added on to Gudibanda Taluk. But this cannot be supported for the reasons noted hereunder:-

1. Chavalasettihalli also called Cholasettihalli.
2. Jodi. Krishnarajapura.
3. Hanumanahalli.
4. Narasimhaswamybetta (Dist Forest)

1. Chinnakalahalli and Thokalahalli constitute one shanbhogi firka and the proposal of the Sub Division Officer to bifurcate these two villages and to transfer only Chinnakalahalli to Gudibanda Taluk is not feasible as one and the same shanbhog can not work under

firm under the control of two Revenue Officers. The Shanbhogue of this firka and the villages also have no mind to come under the jurisdiction of Gudibanda Taluk.

2. Chennarayanahalli, Chapparadahalli and kere Valaginahalli, these 3 villages constitute one shanbhogi firka and the proposal made to transfer only Chennarayanahalli to Gudibanda Taluk leaving the other two villages in Goribidnur Taluk is not feasible for the reason similar to that given in sub para one supra.

3. Srinivasapur is a bechirak village which is amalgamated with Kothur village in Revenue Commissioner's Order No.1639/28-29 dated the 22nd March 1930 and no purpose would be served in transferring this amalgamated Bechirak village to Gudibanda Taluk as the villages of Asli Kothur are not willing to join Gudibanda.

2. The only uncontested villages of Nagaragere Hobli of Goribidnur Taluk which could be transferred to Gudibanda Taluk including the District Forest of Narasimhadevarubetta are noted in the margin and these villages are therefore recommended to be transferred from Goribidnur Taluk to Kasaba Hobli of Gudibanda Taluk.

1. Cholasettihalli also called Chavalasettihalli.
2. Jodi Krishnarajapura.
3. Hanumanahalli.
4. Sri. Narasimhaswamybetta.

3. Regarding the transfer of villages of Chikkaballapur Taluk the Sub Division Officer reports that the marginally noted 10 villages which are now in Mandikal Hobli of Chickballapur Taluk may be transferred to Gudibanda Taluk.

1. Ramapatna. 2. Jodi Siddaganahalli.
3. R.Kambalahalli. 4. Nagapanahalli.
5. Madalenahalli (Bechirak) 6. Uddagiri-
7. Mallappanahalli. 8. Renumakalahalli
9. H. Chokkanahalli. 10. Enumala Chinnanadinne(Bechirak)
11. Kammalamari.

These villages are within a radius of 4 miles from Gudib Town and it would be more convenient for villagers and village officers to go to Gudibanda than to Chickballapur which is a distance of more than 20 miles from these villages. There objection from these villagers also to join Gudibanda an objection is sponsored by the village shanbhogue mere grounds. The Sub Division Officer reports that say villages are within a mile from Gudibanda and that the

therefore these can be no justification to uphold the objection. I agree with the Sub Division Officer and recommend that the 14 villages of Mandikal Hobli as proposed previously may be transferred to Gudibanda Taluk as the 4 villages noted in the margin which have been omitted are jodi and bechirak villages and as there will be not much difficulty by adding up these 4 villages also to Gudibanda Taluk as previously proposed. Further Bommaganahalli is one of the villages of Renumalahalli shanbhogi firka and therefore this village cannot remain separated from other villages of the firka which have been proposed to be added on to Gudibanda. Ropparlahalli is a bechirak village and Chikkanareppanahalli and Karakamakalahalli are jodi villages and therefore there is no objection to include these 4 villages also in Gudibanda Taluk. All these 14 villages of Mandikal Hobli may be added on to the Kasaba Hobli of Gudibanda Taluk.

1. Bommaganahalli.
2. Ropparlahalli (Bechirak)
3. Chikkanarappanahalli (K.G)
4. Karakamakalahalli (Jodi)

4. The financial implication of the revised proposals now made will be as stated hereunder. The Land Revenue Jamabandy of Goribidnur Taluk is Rs. 216512/-. The Jamabandy of the three villages of Nagaragere Hobli which are now proposed to be transferred to Gudibanda Taluk is Rs. 1850/- and the net jamabandy of Goribidnur Taluk after the transfer of these 3 villages will be Rs. 214662/-.

5. The present Jamabandu of Chikkaballapur Taluk is Rs. 130000/- . The Jamabandy of 14 villages of Mandikal Hobli of this Taluk which are now proposed to be transferred is Rs. 2821/-. The net Jamabandy of Chickballapur after the transfer of 14 villages is effected is Rs. 127179/-.

6. The present Jamabandy of Gudibanda Taluk with its two hoblies is Rs. 49496/-. The Jamabandy of 17 villages viz., 3 of Nagaragere Hobli and 14 of Mandikal Hobli is Rs. 4671/- and the total jamabandy of Gudibanda Taluk after these additions are sanctioned will be Rs. 54167/-.

7. The above proposals are summarised below:-

1. Gudibanda Taluk.

(1) Kasaba Hobli	65 villages	26674/-
(ii) Somenahalli	58 villages	27493/-
	Total 123 vs.	54167/-

8. All parts in each of the hoblies of all the taluks have been taken into consideration and a thorough enquiry has been held and addition of no more villages to Gudibanda Taluk is possible as the villagers are not agreeable for the transfer of their villages to Gudibanda Taluk. Government passed final orders in February 1947 fixing the jurisdiction of the newly constituted Gudibanda Taluk, but on the objection of villagers, the question was referred back for further investigation. It is not possible to add on any more villages to Gudibanda Taluk than the 17 villages which have now been proposed without inviting serious objections from the public and I request that sanction of Government may be kindly obtained fixing the jurisdiction of Gudibanda Taluk adding on the 4 villages of Nagaragere Hobli inclusive of Narasimhadevarabetta District Forest and the 14 villages of Mandikal Hobli of Chickballapur for the reasons explained above.

The connected records are enclosed for kind perusal.

Yours faithfully,

For Deputy Commissioner,
Kolar District.

Sir,

The people of Gudibanda Taluk, and M.L.C and M.R.A's of Kolar Dist. offer their grateful thanks to the Benign Government for ~~making~~ having made Gudibanda a Pucca Taluk and hereby approach the Government to complete the said benevolent act by giving the necessary and sufficient territorial jurisdiction to the Taluk as envisaged in the series of Government Orders referred to above.

2. The implementation of the Government Orders, it is

learnt, is held up by mis-representations and twisting of facts by interested personages like the capitalists and exploiters and we can smell and sense the influence of these factors in para 7 of the Memorial (Serial No.7 of the Reference) which speaks of breaking up of "Financial ties" with merchants and Bankers of Goribidnur. With the modern ideas of Nationalisation of Banks and the spread of co-operative organisations, it is desirable in the interests of the Rural Population that the old blood sucking"Financial ties" should be broken up and the rural population allowed to raise its head and grow up to their stature unhampered by machinations of the Priva Bankers and merchants. The antecedents of the merchants and Bankers of the Rural areas in our country are not such as to inspire confidence that the "Financial ties" with such people would be helpful for the uplift and growth of the rural population.

3. The readjustment of local boundaries of the several taluks is not such a matter as should invoke strong opposition from the people, if such opposition is not engineered by vested interests and exploiters. The readjustment would be out natural and smooth but for self styled local leaders who would be out to make trouble. For instance, quite recently, Hoblies were cut up throughout the Province and the readjustments have materialised without any hitch any where. It is quite strange that the readjustment of the boundaries of a Taluk should encounter and opposition of such a magnitude as to hold up the matter for years.

4. After all, the two taluks would still remain in the Mysore Administration and the administration of these Hoblies by

one Amildar or another should not be a matter as to invoke opposition from the villagers concerned.

5. The reasons mentioned by the memorialists are flimsy and devoid of any merit and are not such as to prevent the execution of orders passed by the Benign Government on due deliberation and that too after the matter was pending for over a number of years. The decision of the Government solemnly taken should not be set aside and that especially on such flimsy and untenable grounds as put forward by the memorialists referred to above. (Memorial of 1947).

6. The order of the Government (S.No.6) dated 28-2-1947 is just and proper and suits the administrative convenience and the opposition to the same is meaningless. The question of taking public opinion, a plebicite in miniature is impracticable and sets up a dangerous precedent which should not be encourgged. As long as the people remain in the administrative unit of Mysore State, the question of plebicite would not arise and the taking of the plebicite would be unconstitutional in the extreme and unprecedented in the constitutional usage and practice.

7. There are absolutely no grounds to stop or stay the implementation of the Government order and there are further no grounds to review the same. The agitation against the Government Order, it is humbly suggested, is meaningless and should not be encouraged.

In conclusion we humbly pray that the Government Order dated 28th February 1947 be implemented and given immediate

P.T.O.

immediate effect.

We remain,

N.B. The appeal from the people of two Hoblis, viz, Nagenahalli and Dasinayakanapalya for the non-inclusion in Gudibanda Taluk is not a proper ground at all. This might be due to some unhappy influence of Vested interests. The Government of Mysore should, on no account, change the order passed in this behalf and it is quite essential that the Govt. OFFICE OF THE DEPUTY COMMISSIONER
27 SEP 1950
KOLAR DISTRICT

Sir,

Subject:- Fixing the jurisdiction of Gud anda taluk in Kolar District - Re-examination of the uestion of -

With reference to your memo No.A.1.C.1279 6-47 dated 5th May '50 forwarding the petition of .A.Adinarayana Setty and others for re-examination o he question in the light of the grounds urged in the etition, I have the honour to state as follows:-

Most of the signatories to the petition . the then R.A.members of Kolar District and those m Gudibanda taluk are Sri.C.Adinarayana Setty Chair of the Taluk Development Committee, Sri.B.Aswathanarayana , Vice President of the Municipality and Sri.S.Rama .

I met Sri.Adinarayana Setty, Sri.Aswath rayana Rao Sri.S.Rama Rao and other leading gentlemen o udibanda town on 29th of last month at Gudibanda and iscussed the subject. The representation of the petitic ers is that the G.O.No.R.8326-40/L.R.390-45-10 dated 20 February 1947 according sanction to the constitution the then Gudibanda Sub taluk into a Pucca Taluk comp ing 106 villages of Kasaba and Somenahalli Hoblies Gudibanda Taluk, 38 villages of Nagaragere Hobli, and 40 villages

and 46 villages of

Darinayakanapalya Hobli of Goribidanur taluk. The gentlemen whom I met told that, though they have got claim on Darinayakanapalya also, they would be satisfied if at least the villages notified in this office Notification No.R.L.C. 561/48-49 dated 30th October '48 comprising all the villages of Nagaragere Hobli, except Myala, Velapi, and Hunasenahalli villages in Goribidanur taluk, and 14 villages of Mandical Hobli in Chickballapur taluk are included in Gudibanda Taluk. They vehemently argued that there were absolutely no reasons to deny at least this much, and stated further that in 1882 the Gudibanda Taluk consisted of the present two hoblies of the Taluk, Nagaragere and D'palya Hoblies of Goribidanurtaluk and the entire Mandikal Hobli of Chickballapur Taluk, that the jurisdiction was reduced to the present area in 1882 in furtherence of the contemplated reduction in the Revenue Establishment of the District and readjustment of Taluk and Hobli boundaries and that as now Gudibanda is a Taluk with all the required establishment, there are no reasons why the villages they ask for should not be returned to Gudibanda taluk as it involves no extra cost.

After hearing these persons, I proceeded to Nagaragere, Vatadahosahalli and D'palya and sorrounding villages and ascertained the views of the people. I received a petition from the villagers of Cholasettyhalli in Nagaragere Hobli that they may be included forthwith in Gudibanda Taluk as Goribidanur is far away to them and urged this may be done whether Nagaragere Hobli is included or not.. Except this solitary instance, the representations made and the petitions presented at Nagaragere, Vatadahosahalli, and D'palya were to the effect that they should not at any cost be included in Gudibanda Taluk. The reasons given by them against the inclusion were:- The difficulty of Communication to Gudibanda, scarcity of water and food, want of

want of
Banking and other Commercial facilities and lack of Railway and Bus Communications. They further stated that their contact with Goribidanur and Hindupur and their knowledge of men and matters for a long time have been helpful in their day to day business, that if they are cut off from these places they would be fish out of water and that their whole set up of life would be upset. I could make out from their talk that what all they said was genuinely said. Some of their difficulties are real and some are rather imaginary. It is no doubt true that the people of Yatadahalli and round about villages have to negotiate through hill track of about 5 miles if they have to go to Gudibanda. On the other hand, the villagers of Nagaragere and round about villages cannot say the same thing as they can reach Gudibanda via Yellodu in Gudibanda Taluk through a plain country. The case of D'palya is altogether different as a regular range of hillocks lie between D'Palya Hobli and Gudibanda Taluk and therefore it has to be omitted completely from the present scheme and this is agreeable to sponsors of Greater Gudibanda - On the other hand, I cannot understand as to why the people of Nagaragere Hobli should be so vehement against the proposal. They feel as though they are going to be handed over to a different country like Pakistan I quite see that, because they are attached to Goribidanur from the year 1882, they have had certain trade, commercial and other relationships which cannot be easily severed. But considering the interest of ordinary ryot, whose work lies mostly in Taluk Office and Sub Registrar Office, I feel that Nagaragere Hobli may be attached to Gudibanda as it is far nearer to this place than Goribidanur. Strangely enough, even the ordinary ryot feels that he should be continued to be attached to Goribidanur taluk. If a plebicite is taken nearly 90% of the villagers will vote for Goribidanur and not for Gudibanda. In the face of this opposition, I

of this opposition, I consider it rather undesirable to include the entire Nagaragere Hobli in Gudibanda Taluk. But there are some villages in this Hobli which should find a place in Gudibanda Taluk.

They are:-

population to 1233. If the Jamabandy of these two sets of villages is added on to the existing Jamabandy of Rs.49,946/- of Gudibanda Taluk, the Taluk Jamabandy will be Rs.65,552/- and the population will be ~~25820~~. 26,346.

This will form a compact area giving sufficient work to the Amildar of Gudibanda Taluk and at the same time reducing to a certain extent the heavy work the Amildar of Goribidanur Taluk is having.

If these proposals are approved, the villages of Mandical Hobli may be attached to Gudibanda Kasaba Circle without creating a new Circle and the villages of Nagaragere Hobli may continue to be in charge of the Revenue Inspector of Nagaragere Circle itself without additional expenditure.

I am enclosing a map showing the following items :-

(1). The map of Gudibanda Taluk as it existed in 1882.

(2). The existing area of Gudibanda taluk.

(3). The proposed area of Nagaragere and Mandical Hoblies that are proposed to be transfered to Gudibanda Taluk.

(4). The road communications that are existing now.

At present there is a District Board Road existing between Gudibanda and Yellodu and if Nagaragere and other 14 villages of that Hobli are to be transferred to Gudibanda Taluk, it is immediately necessary to link up Yellodu with Nagaragere. I understand that the lay out of this road is under contemplation of the District Board.

It may also be mentioned here that there is a road from Nagaragere to Vatadahosahalli and a regular Bus is running.

If for any reasons all the 18 villages of Nagaragere Hobli as proposed above are not to be included, at least the villages of Cholasettihalli and Muddalahalli may be included in Gudibanda Taluk forthwith and also the 14 villages of Mandical Hobli in Chickballapur Taluk, for which there is not and cannot be much objection.

The connected previous records along with the petition of Sri.Adinarayana Setty and others is submitted herewith for obtaining very early orders of Government as the matter is hanging fire from a long time and further delay may lead to embitterment of feelings between Goribidanur and Gudibanda Taluks.

Sir,

Subject:- Fixing the jurisdiction of Gudibanda Taluk in Kolar District - Re-examination of the question of -

With reference to your memo No.A.1C.1279/46-47 dated 6th May '50 forwarding the petition of Sri.Adinarayana Setty and others for re-examination of the question in the light of the grounds urged in the petition, I have the honour to state as follows:-

Most of the signatories to the petition are the then M.A. members of Kolar District and those from Gudibanda Taluk are Sri.C.Adinarayana Setty Chairman of the Taluk Development Committee, Sri.B.Aswathanarayana Rao, Vice President of the Municipality and Sri.S.Rama Rao.

I met Sri.Adinarayana Setty, Sri. Aswathanarayana Rao, Sri.S.Rama Rao and other leading gentlemen of Gudibanda town on 29th of last month at Gudibanda and discussed the subject. The representation of the petitioners is that the G.O. No.R.8826-40/L.R.330-45-10 dated 20th February 1947 according sanction to the constitution of the then Gudibanda Sub Taluk into a pucca Taluk comprising 1 villages of Kasaba and Somenahalli Hoblies of Gudibanda Taluk, 28 villages of Nagaragere Hobli, and 40 villages of Narinayakanapalya Hobli of Goricidamur Taluk. The gentlemen who I met told that, though they have got claim on Narinayakanapalya also, they would be satisfied if at least the village

[illegible] Taluk.

[illegible] Except this solitary instance, the representations made and the petitions presented at Nagaragere, Vatadahoshalli and D'Palya were to the effect that they should not at any cost be included in Gudibanda Taluk. The reasons given by them against the inclusion were:- The difficulty of Communication to Gudibanda, scarcity of water and food, want of Banking and other Commercial facilities and lack of Railway and Bus Communications. They further stated that their contact

that their contact with Goribidanur and Hindupur and their knowledge of men and matters for a long time have been helpful in their day to day business, that if they cut of from these places they would be fish out of water and their whole set up of life would be upset. I could make out from their talk that what all they said was genuinely said. Some of their difficulties are real and some are rather imaginary. It is no doubt true that the people of Watadahosahalli and round about villages have to negotiate through a hill track of about 5 miles if they have to go to Gudibanda. On the other hand, the villagers of Nagaragere and round about villages cannot say the same thing as they can reach Gudibanda via Yellodu - Gudibanda Taluk through a plain country. The case of D'Palya is altogether different as a regular range of hillocks lie between D'Palya Hobli and Gudibanda Taluk and therefore it has to be omitted completely in the present Scheme and this is agreeable to the sponsors of Greater Gudibanda, On the other hand, I cannot understand as to why the people of Nagaragere Hobli should be so vehement against the proposal. They feel as though they are going to be handed over to a different country like Pakistan. I quite see that because they are attached to Goribidanur from the year 1882 they have had certain trade, commercial and other relations which cannot be easily severed. But considering the interest of ordinary ryot, whose work lies mostly in Taluk Office and Sub Registry Office, I feel that Nagaragere Hobli may be attached to Gudibanda as it is far nearer to this place than Goribidanur. Strangely enough, even the ordinary ryot feels that he should be continued to be attached to Goribidanur Taluk. If a plebicite

If a pleb[illegible] vote for [illegible] on this opposition, I [illegible] to include the entire [illegible] But there are some villages in this hobli which find place in Gudibanda Taluk.

Subject:- Transfer of villages from Nagaragere Hobli Goribidnur Taluk and 14 villages from Mandikal Hobli, Chickballapur Taluk.

With reference to your Memo No.A.1.C.1279/46-48 dated the 15th October 1948, on the above subject, I write to state as follows:-

In pursuance of the above memo, a notification has been published in the Mysore Gazette, with this office No.R.1.C. 561/48-49 dated 30th October 1948, directing the persons interested to prefer their objections, if any, to the proposed transfer of villages, within one month from the date of the publication of the said notification. In response to the above notification, 30 objection petitions have been received opposing the said transfer of villages from Nagaragere Hobli to Gudibanda Taluk. 3 objections have also been received from the villagers of Mandikal Hobli.

The undersigned heard the marginally noted villagers in Nagaragere Hobli and made enquiries. Their main contention is, that they will be deprived of the facilities such as Railway, Education, Baking, Business, etc., that they are hither

marginally noted villagers of Nagaragere Hobli have not appeared before the undersigned and pressed their objection to the transfer of their villages to Gudibanda Taluk. The marginally noted villages of Nagaragere Hobli may therefore be transferred to Gudibanda Taluk. All these villages are within five miles from Gudibanda and away from Goribidnur by more than 20 miles. There is a strong opposition from the other villagers noted in para 3 for joining their villages to Gudibanda Taluk.

Their objections are more of personal nature The marginally noted villages may conveniently be formed into two groups from the point of their representation to go to Gudibanda or otherwise. The objection petitions received during the visit of the undersigned are also enclosed herewith for favour of perusal. The marginally noted villages are within four miles from Gudibanda. There is a clear motorable road which the villagers of these villages may conveniently use. There is not any natural barrier like that the one found between the villages or Nagaragere Hobli and Gudibanda. In fact Ramapatna and Bommaganahalli are within a mile and

If the villagers of Ramapatna and Bommagaganahalli agree to go to Gudibanda, the villagers of Chokkanahalli, Enumalachandandinne and Kammalamari will have no obhection to go to Gudibanda. The objections of these villagers are not reasonable. The villagers of Ramapatna group have no objection for joining their villages to Gudibanda.

In fact, the objection of these villagers not to join their villages to Gudibanda appears to be due to the instigation of the village officers.

The file of records received with your Memo under advertance are herewith enclosed.

The ryots of Nagaragere Hobli state that the attempts made by certain persons to get their Hobli added on to the Gudibanda Taluk is not in the interests of the ryots of Nagaragere Hobli. They therefore pray that the Nagaragere Hobli may be allowed to remain as part of the Goribidnur Taluk itself.

Sir,

Subject:— FIXING THE JURISDICTION OF GUDIBANDA TALUK.

In reply to correspondence ending with your letter No. R.5334 dated the 10th August 1951 calling for reasons as to why the 3 villages mentioned in your letter were omitted to be included in the jurisdiction of Gudibanda Taluk, I invite your kind reference to this office letter No.A.1.C.1279/46-47 dated the 16th November 1949 wherein the reasons for leaving off these villages from the scope of the proposal have been fully given. Chennarayanahally along with two other villages constitute one Shanbhogi firka and it was not found possible to bifurcate the firka and transfer only this village to Gudibanda Taluk leaving the other two villages in Goribidnur Taluk, the Shanbhogie being one and the same for all the villages of the firka. Srinivasapur is a bechirak village which was amalgamated with Kothur village which is in Goribidnur Taluk and therefore this village was left off. Narasimhadevarabetta is a State Forest and its inclusion in Gudibanda Taluk would be of no availa.

The proposal was referred back in February 1950 by Government with reference to the representation of Sri. Srinarayana Setty for re-examination of the proposal and in the revised proposal submitted by the Sub Division Officer in September 1950, Hanumanahally was not proposed for inclusion.

The question is dragging on for one reason or other for many years and the proposal which has been made after a thorough

The Revenue Commissioner in Mysore, agreeing with the Deputy Commissioner, Kolar District, recommends that the 15 villages of Nagaragere Hobli, in Goribidanur Taluk, and 14 villages of Mandikal Hobli, in Chickballapur Taluk, may be added on to the newly constituted Gudibanda Taluk, to make it a sufficiently heavy charge for an Amildar. According to these proposals, Gudibanda Taluk will consist of 105 villages (10[illegible] villages of Kasaba and 14 Sompnahalli Hoblis of the present Gudibanda Taluk, 15 villages of Nagaragere Hobli and 14 villages of Mandikal Hobli) with a Jamabandy of Rs.65,552 and a population of 26,346.

List of Enclosures.

Govt., after carefull consideration of all the aspects of the case, accept the recommendation of the Revenue Commissioner, to add on the above 15 villages of Nagaragere Hobli and 14 villages of Mandikal Hobli to Gudibanda Taluk.

This will have effect from 1.1.62

The Revenue Commissioner is requested to submit separate proposals for the reconstitution of the Hoblis & Circles in Gudibanda Taluk after inclusion of these 29 villages to the ~~existing Hoblis of Gudibanda~~ said Taluk ~~or to the Constitution of a separate Hobli~~ and for readjustment of the Staff among the three Talukas, Goribidanur, Chickballapur & Gudibanda.

A notification in the behalf will issue separately.

ORDER NO.R. 9178-253 / L.R. 319-45-28 DATED, 28th Nov 51

The question of fixing the jurisdiction of Gudibanda Taluk constituted in the Government Order read above was re-examined in the light of the representations received from the people of Nagargere and Darinaikanapalya Hoblis in Goribidnur Taluk against the inclusion of their villages in Gudibanda Taluk. The main grounds urged by them are:- (1) difficulty of communication to Gudibanda stating that they have to traverse through a Ghat Road to reach the taluk headquarters; and it would be risky to carry heavy remittances during the collection season; (2) scarcity of water and food in Gudibanda; (3) want of Banking and other commercial facilities and (4) lack of railway and bus communications.

As against this, the people of Gudibanda plead that in 1882, the Taluk of Gudibanda ~~consisted of~~ included the

two hoblis of Nagaragere and Gharinaikanapalya (now in Goribidnur Taluk) and the Mandikal hobli of the present Chickballapur Taluk, and that the jurisdiction of Gudibanda Taluk was reduced as a measure of retrenchment. They add that since Gudibanda is now a full fledged Taluk, there are no reasons why the original jurisdiction of the Taluk should not be restored.

Both the aspects have been examined in detail and the S.D.O.Chickballapur has visited each village proposed to be added on to the Gudibanda Taluk and heard the objections of the villagers concerned. He has reported that the marginally noted 15 villages of Nagaragere hobli of Goribidnur are much nearer to Gudibanda than to Goribidnur. They can reach Gudibanda via Yellodu in Gudibanda Taluk through plain country. These villagers cannot have any valid objection on the score of difficulty of communication. Similarly the marginally noted 14 villages of Mandikal hobli of Chickballapur Taluk are much nearer to Gudibanda being within three to four miles from the taluk headquarters than to Chickballapur which is at a distance of more than 20 miles. They can have no legitimate grievances to join Gudibanda Taluk. Further Gudibanda is connected by Bus not only with Chickballapur and Bagepalli but also with Goribidnur; and communication is not as difficult now as in the past.

The Deputy Commissioner and the Revenue Commissioner therefore recommend that the 15 villages of Nagargere hobli in Goribidnur and 14 villages of Mandikal hobli in Chickballapur Taluk may be added on to the newly constituted Gudibanda taluk as it is too light a charge at present.

Government, after careful consideration of all the aspects of the case, accept this recommendation of the Revenue Commissioner. According to this proposal, Gudibanda Taluk will consist of 135 villages, as noted in the margin [106 villages of Kasaba and Somenahalli Hoblies of the present Gudibanda Taluk, 15 villages of Nagargere hobli and 14 villages of Mandikal hobli ~~with a namabandy of 65,552 rupees and a population of 1,26,167~~]. This will have effect from 1-1-1952. A notification in this behalf will issue separately.

15 villages of Nagargere Hobli Goribidnur Taluk
14 villages of Mandikal Hobli Chickballapur Taluk

The Revenue Commissioner is requested to consider whether in view of this, any readjustment of hobli staff among the three taluks of Goribidnur, Chickballapur and Gudibanda is necessary and if so, to take suitable action and intimate to Government.

Sir,

We, the undersigned villagers of (1) Ramakalahalli, (2) Bommaganahalli, (3) Kommmalamari, (4) Uregumtahalli, (5) R. Chokkanahalli, (6) Roparlahalli, (7) Jodi Chikkanaranappanahalli, (8) Jodi Karkamakalahalli and (9) Muddalahalli, Chikballapur Taluk, beg to represent as follows:-

That all the above villages are now attached to Chikballapur Taluk and that all the villagers have all sorts of convenience and facilities to go to Chikballapur and attend to their day to day business both in respect of official and private.

That in the matter of handing over of these villages and attach to Gudubande Taluk had once cropped in and when this question was in progress, we vehemently opposed the same and on our representation, the Government in their order No. R.9178-253/L.R.319-45-28 dated 6th December 1951 cancelled the said order of change of Taluk which gave us greatest satisfaction.

That to our surprise , once again this question has been taken up and we only learnt about the move a day or two ago and we understand that orders also have been passed to give effect to made over the above villages to Gudibanda Taluk - with effect from 1st August 1952. Having come to know of this hurried order, we have now submitted this our protest and to request that the orders if already has been - passed may kindly be stayed, willingness of the villagers obtained and thereafter final orders passed.

In this connection, we further wish to add that residents of Nagaragere Hobli of Goribidnur Taluk, which hobli is, it is learnt has been ordered to be transferred to Gudibanda Taluk and that we also understand that the Government have been - pleased to issue a stay order on their request pending final enquiry and disposal.

In

In the circumstances, in fairness, justice and equity the opinions of the residents of our villagers have to be obtained before giving effect to orders of transfer of villagers from one Taluk to another.

Wherefore the petitioners pray that orders now passed transferring our villages from Chikballapur Taluk to that of Kolibanda Taluk may kindly be forthwith stayed, opinions obtained as to willingness or otherwise and thereafter final orders passed.

We request for an enlorsement in the first instance//

Yours faithfully,
Representatives of the villages,

Bangalore City,
30th July 1952

P.S. The Hon'ble Chief Minister when he paid a visit to Mandimal in the month of June on a petition submitted protesting the change over, definitely promised that there would be no change.

Sir,

Subject:-Enlarging the jurisdiction of Gudibanda Taluk, Kolar District.

Reference:-Your Demi-official letter No.R. 10785 dated 3-1-52.

Sri MPB

In the above quoted letter I have been asked to further examine the request made by the people of the villages of Goribidnur Taluk proposed to be included in Gudibanda Taluk, and to send a report to Government for consideration. I write to state that the protest of the villagers is not new and it has been there from a long time. The grounds put forward against the inclusion have been duly considered several times by the several officers and more than once by Government and the proposals made finally in this Office letter No.C10-3399/46-47 dated 20th September 1951 have been accepted by Government. The proposal was to include only 15 villages of Nagaragere Circle as against the 38 villages of that Circle and 40 villages of Depalya Hobli of Goribidnur Taluk as per Government Order dated 26th February 1947. The 15 villages ordered to be included are contiguous to Gudibanda Taluk and their inclusion hardly causes any inconvenience to the residents. However, I have re-examined the proposal during one of my visits to the ~~the~~ locality and had consultations with the Deputy Commissioner and other local officers. I find that the proposals made already are, if anything, the minimum, and there are no reasons to reject them on administrative, economic or other grounds. The objections raised by

P.T

by the villagers seem to be only sentimental and cannot be given weight from the point of view of good administration.

I therefore request that the Government Order of 6th December 1951 may be given effect to as early as possible so that the heavy work devolved on the Amildar of Goribidnur may be reduced and the light work the Amildar, Gudibanda, is having, may be - - - suitably increased. The matter is hanging fire for several years and hence it is very necessary that it should be decided finally and set at rest at an early date.

Yours faithfully,

(K. SRINIVASAN),
REVENUE COMMISSIONER.

ORDER NO. 9178--253/L.R. 319-45-28, BANGALORE, DATED, ~~28TH NOVEMBER~~ 1951.

6th Decmbr

The question of fixing the jurisdiction of Gudibanda Taluk constituted in the Government Order read above was re-examined in the light of the representations received from the people of Nagargere and Darinayakanapalya Hoblies in Goribidnur Taluk against the inclusion of their villages in Gudibanda Taluk. The main grounds urged by them are:— (1) difficulty of communication to Gudibanda, stating that they have to traverse through a Ghat Road to reach the Taluk headquarters; and it would be risky to carry heavy remittances during the collection season; (2) scarcity of water and food in Gudibanda; (3) want of Banking and other commercial facilities and (4) lack of Railway and Bus communications.

As against this, the people of Gudibanda plead that in 1882, the Taluk of Gudibanda included the two Hoblies of Nagargere and Darinayakanapalya (now in Goribidnur Taluk) and the Mandikal Hobli of the present Chikballapur Taluk, and that the jurisdiction of Gudibanda Taluk was reduced as a measure of retrenchment. They add that since Gudibanda is now a full fledged Taluk, there are no reasons why the original jurisdiction of the Taluk should not be restored.

P. T. O.

Both the aspects have been examined in detail and the Sub-Division Officer, Chikballapur has visited each village proposed to be added on to the Gudibanda Taluk and heard the objections of the villagers concerned. He has reported that the **marginally noted 15 villages of Nagargere Hobli of Goribidnur are much nearer to Gudibanda than to Goribidnur. They can reach Gudibanda via Yellodu in Gudibanda Taluk through plain country. These villagers cannot have any valid objection on the score of difficulty of communication. Similarly the marginally* noted 14 villages of Mandikal Hobli of Chikballapur Taluk are nearer to Gudibanda being within three to four miles from the Taluk Headquarters than to Chikballapur which is at a distance of more than 20 miles. They can have no legitimate grievances to join Gudibanda Taluk. Further Gudibanda is connected by Bus not only with Chikballapur and Bagepalli but also with Goribidnur; and communication is not as difficult now as in the past.

The Deputy Commissioner and the Revenue Commissioner therefore recommend that the 15 villages of Nagargere Hobli in Goribidnur and 14 villages of Mandikal hobli in Chikballapur Taluk may be added on to the newly constituted Gudibanda Taluk as it is too light a charge at present.

Government, after careful conideration of all the aspects of the case, accept this recommendation of the Revenue Commissioner. According to this proposal, Gudibanda Taluk will

consist of 135 villages, as noted in the margin. This will have effect from 1st January 1952. A notification in this behalf will issue separately.

106 villages of Kasaba and Somenahalli Hoblies of the present Gudibanda Taluk,
15 villages of Nagargere Hobli ~~Gudibanda~~ Goribidnur Taluk,

135 villages

The Revenue Commissioner is requested to consider whether in view of this, any readjustment of hobli staff among the three Taluks of Goribidnur, Chickballapur and Gudibanda is necessary and if so, to take suitable action and intimate to Government.
